Presidents Corner

By the feedback I received from the attendees at our annual Christmas Dinner, it would be an accurate statement that the event was a success and the caterer did an excellent job. Looks like we have our work cut out for us next year to maintain such a high level of expectation. We have a tentative speaker commitment for next year's Christmas dinner, Brian Binney . . . he was the one that flew Spaceship One to win the X prize.

Meeting Plans

Due to a scheduling conflict with our normal meeting room, we were asked to find another meeting location. With that in mind, our January meeting was to be a presentation from our own member Mike Radomsky who, needing the audio visual equipment that our normal meeting room provided, agreed to postpone his presentation until February. In place of the HND Terminal location, we will gather at my hangar (D-8) for a silent auction of various items donated to us by Bryan Taylor who is moving to the Isle Man off the coast of England. There are approximately 120 items for bid and they

include both aviation and non-aviation items . . . mostly tools. We are compiling the list and will attach it to an email to all of our members as soon as it is complete. In the meantime, you can take a look of the items at the following links (different resolutions for those with low band width capabilities):

Bring your checkbook or cash to pay for the items you win the bid on. (We prefer a check)

Dinner Plans

In case you are interested we will be “serving” dinner in Vince and Anne’s hangar (D-9) and will feature pizza, salad and soft drinks. **Dinner will be “on the house”**. Plan on arriving at 6:30PM so you can eat and “mill around” while checking out the items for bid. The meeting will be conducted after dinner and the closing of the bidding. We will announce the bid winners during the business meeting which will be conducted in Vince and Anne’s hangar.

We will also discuss a future location for our dinner gatherings prior to our normal meeting time of 7:30PM

Roger Hansen
President EAA 1300

Andy Johnson had a big milestone in December, moving his RV-12 to Henderson Airport. He’s borrowing space from Roger Hansen to do the last few items before inspection and first flight. Looks Great!

Come see it at the meeting this Wednesday in Roger’s Hangar!

Announcements:

1. Our annual Christmas Dinner this year will be held at the HND Terminal in our normal meeting room. Our guest speaker is Captain Paul Grieshaber who flies for US Air. Paul will give us a photo journey of his early flying career taking passengers into the Grand Canyon. (Before all the restrictions) Dinner will be catered and pricing will be no more than \$35 per person. However, this year you will have the opportunity to have both meat entrées and not pre choosing.
2. Last Saturday's Young Eagles event was another success, we flew 52 kids. A special thanks to Fred Wilson and Ralph Millard who flew about 2/3rds of those kids. I would also like to thank Dennis Anderson, HND Manager for giving the flyers a \$1.30 discount on gas.
3. Fred advised me that Jason's Deli has closed so we'll need to find another place for our "dinner meeting" prior to the normal meeting which will be at the terminal in January.

Don't forget, we have an informal meeting on Saturday morning upstairs at the Landings. Come join us at 8:00 AM every Saturday

Old Business-

Class B airspace working group – Terry Frazier said they are thinking of getting rid of the 9K-10K altitude ring along with its associated outer boundary (40 NM ring) to help out the Jean glider operation

New Business-

Should we have a cash bar for the Christmas bar? Discussion resulted in a decision to not have a bar.

Mike Smith mentioned the Aviation Nation airshow at Nellis will have a 22-ship of RVs flying both days.

Dan Eikleberry mentioned VGT is having an open house on January 29th, 2011.

The January meeting will be Mike Radomsky talking about flight instructing in the Valley (VGT)

Motion to adjourn by Mike Smith, seconded by Brian Prinzavalli

Adjourned at 8:39PM
