Dean Herrington, President

THIS MONTH'S SPECIAL MEETING

This month we'll have our usual pre-meeting dinner at The Black Mountain Grill. However, **DO NOT** show up at the HND terminal for the usual meeting, or you'll be all by yourself.

Our meeting this month will start at 7:30 in the Sky Combat Aces facility on the HND airport, at 1420 Jetstream Drive, #100. If you're early you can get a parking spot right outside the entrance door, otherwise you can park on either side of Jetstream Drive.

We'll have a presentation by one of their most experienced pilots, Ron Preston, titled "**Un-Usable Attitudes ... and How to Survive Them.**"

Ron will cover Unusual Attitude/Upset and Stall/Spin Recovery Techniques. At an airport like HND, where we mix LSA's, helicopters, biz jets, military and experimental and certified GA traffic, an "unusable" attitude/upset event could happen to any of us at any time.

And, for our non-pilot flying companions, Ron will also include a number of tips on Pinch Hitter techniques and practices.

Additionally we'll also have a chance to get a close up look at several of their aircraft, including the Waco YMF Classic and some of their Extra 300s that fly the Air Combat missions.

Don't miss this one. Something for everyone!

OSHKOSH

Several of our chapter members attended Oshkosh this year, and we'll be prevailing upon them to show their pictures and videos, and regale us with tales of Oshkosh, in a monthly meeting soon.
