The Official Electronic Newsletter of EAA Chapter 1300 in Henderson, NV

May, 2012

President's Corner,

Dean Herrington, President

MAY FLY-OUT IS BEFORE THE MEETING THIS MONTH

This month our fly-out takes place BEFORE the meeting does. It's coming up pretty fast! We're doing this because we're going to a pre-scheduled event in Seligman, AZ. It's the annual Route 66 Fun Run, on Saturday the 5th. Be sure to watch for the flyer that Brian and Lynn sent out, or go to the website www.EAA1300.org, and get all the details.

SOME AVIATION FREEBIES

Planning to fly to Oshkosh, or any other destination on the other side of the Rockies this summer? You'll love what the Colorado Pilots Association provides for free: http://coloradopilots.org/maps.asp?show_mt_awos=True You'll find all the mountain passes illustrated, many with AWOS stations reporting current Wx conditions. Just click on the AWOS symbol so see a full METAR, wind conditions, visibility, ceilings, clouds, etc. Can't get much better than that, and the price is right.

What are your favorite aviation freebies? Send them to: herringtons@theherringtongroup.com.

CALL FOR PROGRAM IDEAS

Yeah, yeah, yeah ... I know ... I'm always calling for program ideas. But, hey, if you don't want to have to listen to me, you better keep coming up with some new ideas. ☺ Email your ideas to Dean Herrington at ... herringtons@theherringtongroup.com.

CHAPTER MEMBERSHIP DEVELOPMENT

We're always looking for **new chapter members**. Pilots, non-pilots, and anyone interested in aviation is invited and encouraged to come as a guest, and join the chapter (EAA national membership is also required to be a chapter member). Don't miss a chance to invite guests, and then twist a few arms to convert guests into members. ☺

Let's all be careful out there. See you on May 9th.
