

# WINGTIPS

The Official Electronic Newsletter of EAA Chapter 1300 in Henderson, NV

May, 2013

## President's Corner

Submitted by Dean Herrington, President

## NEXT MEETING

Our next chapter meeting will be Wednesday, June 12, 2013, however it will **NOT** be at the usual meeting room in the Henderson Executive Airport terminal. This will be a site visit to the home of Brian Walker, to see his Zenith CH640 project. Brian and his cousin Judy, and her daughter Jacy (and dog Jazz), have invited us all to be their guests for a BBQ at their place before the business meeting and presentation begins. That's right, two BBQ meetings in a row! – Yum- Plan to arrive between 5:45 - 6:00 p.m., as the first meat will start coming off the grill a little after 6:00. A short business meeting will follow the main meal, and then Brian's presentation and tour will follow that. As always, we solicit everyone's help to clean up at the end of the BBQ.

***NOTE: There is a PDF file attached to this newsletter containing a map to Brian's house. Print it, and bring it with you, as it also has the gate code on it. Don't arrive without the map and expect to call and have somebody come let you in ... we'll all be busy feeding our faces, and eating your share of the dessert.***

**DINNER LOCATION** - - We will NOT have dinner at our usual location. See above.

## THIS MONTH'S PRESENTATION

We'll be meeting at Brian Walker's house, where he'll be giving us a presentation on his Zenith CH640 project, and afterwards he'll be opening up his workshop and giving us all a guided tour.

## OTHER JUNE ACTIVITIES

Our fly-out this month will be on Saturday, June 22, to Apple Valley for a scrumptious breakfast. Watch for the flyer due out soon.

## AVIATION FREEBIES

After 17 months of publishing aviation freebies, my brain is empty. If any of the rest of you can come up with any send them to me and I'll publish them, along with a nice attribution. Otherwise, the aviation freebies section is gone.

## EAGLE FLIGHT PROGRAM PROMOTIONS

The Eagle Flight program is intended to draw adults directly into aviation by providing a free introductory ride, and an introduction to a local flight school, where they can begin working on getting their license. When you hear someone say, "I've always wanted to learn to fly," they're an ideal candidate for an Eagle Flight. Contact our chapter Eagle Flight coordinator, Helen Carlson, at 734-6934, to arrange an Eagle Flight.

***That's it for this month. See you at Brian Walker's house on June 12<sup>th</sup>.***

## **EAA 1300 Meeting Minutes 8 May 2013**

*Submitted by Seb Trost, Secretary*
